

Fairfield County District Library

Teen Volunteers

Teens interested in giving back to the community, working in a fun environment, earning service hours, and boosting their job and college applications are encouraged to volunteer at the library this summer.

What can volunteers do?

- Help with programs for children
- Prepare crafts or materials for programs
- Decorate for Summer Reading or special events
- Straighten & dust shelves
- Clean book covers
- Shelve J Paperbacks, DVDs & board books
- Walk in the 4th of July and Christmas parade

How do I sign up?

Teen volunteers must be in grade 8-12 and fill out a teen volunteer application (a parental signature is required). Then attend a volunteer training session **before** scheduling any volunteer hours. Check the library calendar online for training dates!
