

What are adapted toys?

Adapted toys are toys that are either made especially for children with special needs or are “off the shelf” toys that are adapted to meet the needs of children with disabilities.

Why adapted toys?

Play serves a critical role in the development of a child, and toys are the tools of play.

Children learn cause and effect through play, as well as developing their fine and gross motor skills. Adapted toys make the world of play accessible to children with disabilities.

Circulation Policies

- Anyone with a valid library card may check out these materials.
- All toys circulate for three weeks. Items may be renewed up to 5 times, if no one else is waiting for the item.
- Overdue fines of \$0.10 per day will accrue on items returned after their due date.
- Individuals may have two items from the collection checked out at a time.
- Toys must be returned inside the library. Please do not return toys in the book drop.

Adapted Toy Lending Library

Fairfield County District Library's Adapted Toy Lending Library was funded by grants from:

Assistive Technology of Ohio

SOCIL: Southeastern Ohio Center for Independent Living

Adapted Toy Lending Library Catalog

Rock & Glow Unicorn

This adorable unicorn gets baby moving! The Rock & Glow Unicorn offers two ways to play: Chase me mode and learning mode. The unicorn rocks and gallops in multiple directions, changing with baby's touch.

Sheriff Callie Strum and Star Guitar

Features 2 different play modes and 4 songs that you can listen to and play along with. Watch the stars on the guitar neck light up in tune with the music, hear fun phrases and strum along to the music for a mighty fine performance.

Busy Birdies Carrier Toy Bar

Push owl's belly to see lights and hear 4 fun melodies. Baby can spin bluebird roller ball with colorful rattle beads and spinning paddle mirror for self-discovery. Bead chaser with colorful textured rings.

Roll & Glow Monkey

The Roll and Glow Monkey rolls around the room with light-up wheels and frolicking music. Baby can chase and retrieve and start the fun again.

Rock Light and Roll Guitar Toy

Spin the rattle ball to hear longer melodies and activate lights or press one of the 3 color buttons to activate shorter melodies and lights. Features 10 classical melodies. Great for floor play.

High Speed Train

Bump and go action, high speed train toy, with lights and real sounds.

Take Along Tunes Musical Toy

Baby discovers 7 classical music tunes with a press of the button. Watch the lights dance with each note.

Jelly Bean Switch

This wired switch features a 2.5 inch activation surface that provides auditory and tactile feedback.

All adapted toys are housed at the Early Literacy Center located at our Northwest Branch Library. Please see staff to check out items.
