

I am going to Sensory Storytime

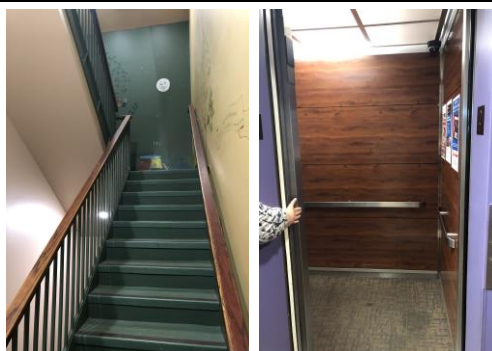

Going to the Library

My grownup and I are going to the Fairfield County District Library for Sensory Storytime.

We will take the stairs or the elevator to the Second Floor.

On the Second Floor we will find the Storytime area.

If there are other families there, we can say hello while we wait for Storytime to start.

My grownup will stay with me during Storytime.

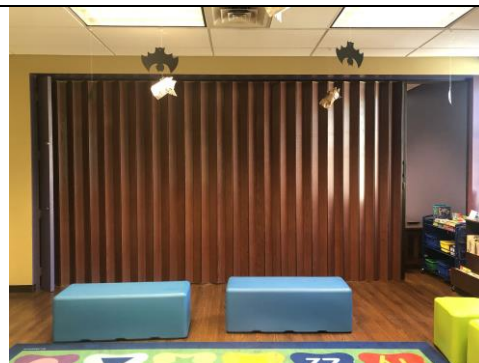

At Storytime

The librarian will lead storytime.

When storytime begins, the librarian will close the door.

The librarian will read us stories. We will sing songs and play games.

It is OK if I do not want to do something. I can watch.

It is OK if I do not want to sit. I can stand and move around.

It is OK if I need to take a break. I can come back when I am ready, or I can try again another day.

After Storytime

After Storytime there is playtime. Sometimes there is a craft. I can choose what I want to play with.

After playtime, my grownup and I can find books, music, and movies to take home.

We can check out our books, music, and movies. Library staff can help.

When we are done we will leave the library.
