

Name: _____

Reading with your preschool-aged child gives them the tools to be successful when they start kindergarten.

- Take time to read with your child every day. Make it a special time.
- Let them see you reading.
- Come to the library often, so you always have new books to read.

For every book or story read to your child, fill in one part of a paw print (repeats count, too). Each paw print represents five books read. After you have read 100 books, bring your log into any FCDL location for a prize and another bookmark.
